Now you can request any paper that is not available in the DL full text collection via the EULC Document delivery service

Egyptian Universities' Libraries Consortia (EULC)

The major goal of the consortia is to provide interactive information services to the Egyptian scholars and students. All the electronically available through the EULC portal. Accessing information resources and services through one unified portal eliminates the overlap and duplication of resources and efforts, which would facilitate optimum method efficiently using the allocated resources

EULC Projects

1. [Digital Library Consortium](#) — The main objective of this project is providing access to the international electronic resource abstracts and full text databases, beside E-journals, books, transactions and engineering standards. All these E-resources unified portal and individually through their interfaces.

2. [Egyptian University Libraries Automation](#) — The objective of this project is automating the Egyptian universities' libraries union catalog for their holdings. The union catalog will facilitate achieving more cooperation and resources sharing among EULC
